

Dear parents,

By entrusting your children to us, you are placing your trust in us, which we take very seriously. We strive to maintain open communication with you at all times, as communication is key to us. As the saying goes, "It takes a village to raise a child," and we aim to create an environment where kindness and cooperation prevail for the well-being of your children.

Registration and Payments:

- Annual membership: 160 CHF for benefits.
- To register, please fill out the online form. Once you have registered online, an email will be sent to you, and upon receiving it, you must pay the deposit indicated per registered child. This deposit is mandatory and is non-refundable if you decide to no longer participate in the camp.
- Once the reservation is made, you can only make one change without any additional fees within 24 hours of your booking. After that, unfortunately, we can't do anything as it becomes too complicated for the successful organisation of our camp. Additionally, once the invoice is due, no modifications can be made, and you will be required to settle it.
- Payment for the camp must be made according to the date indicated on the invoice.
- In case of cancellation due to illness or other major issues, no refund will be made. However, a voucher will be offered upon presentation of a medical certificat, valid for future registrations.
- The program may be modified in case of bad weather, cancellations by external providers, or if the number of children is insufficient for the planned activity. However, the camp will not be canceled and no refund will be made. Other attractive activities will be organized.

- Medication is administered only with a medical certificate.

Special Diet and Allergies:

- Special needs related to allergies, illnesses, or personal beliefs are accommodated as much as possible.

Care of Equipment:

- The number of children welcomed and the organisation of community life do not allow the educational team to constantly monitor clothing and personal items. For this reason,

- Please consult the weekly program and bring the necessary items, taking into account the weather.
